OLD BUSINESS

All supplemental assessments have been paid.

It was discovered that there is no mandate in the basketball by-laws requiring a pre-season meeting. This will be corrected if the Athletic Board passes the proposal to adopt a by-law for each sport.

NEW BUSINESS

There will be a change in the Section volleyball playoffs which includes

every team which has won 15 games. Regardless of league finish.

Two items concerning the Attendance Policy were discussed.

Waiver for Oakmont was approved to allow them to admit middle school students for one night for free.

The wrong price was charged by one school for Frosh Football. This issued has been resolved.

Ejections in last contest of the year currently carry no penalty for the player ejected. Athletic Directors requested the Commissioner draft two provisions brought to the next Athletic Board Meeting as first readings.

The first would extend the penalty for an ejection to the next contest that athlete participates in, even it is another sport.

The second was that in the event of a bench clearing situation, the league would review any available film and insure that all players who left the bench/team area were included in the ejections.

Jorie Baer expressed concerns about communication with soccer officials. Jim Jorgensen stated he would talk to the soccer leadership.

The Athletic Directors approved Yuba City's request for admission to the league for Boys Volleyball

OTHER

Dean Perkins suggested that Oakmont has a printing class where we might be able to get All-Conference certificates produced at a much reduced price.

All Sport Competition has been completed for Fall sports with Bella Vista in the lead.
